Wilson Elected President

ELECTION OF WILSON IS NOW CONCEDED BY THE ENTIRE COUNTRY

California Plurality for President Steadily Increasing—Lead Growing in New Mexico.

New York, Nov. 10.—Republican National Chairman William R. Willcox, following a conference of the campaign managers today, refused to concede the election of President Wilson.

In a formal statement, he declared that the result still depends upon the vote of close states and that the returns from those states are not yet official and might be changed by the official count. Mr. Willcox stated, however, that the national committee would abide by the decision of the official count unless special circumstances arose which made other action unnecessary.

This was the important development in the presidential election situation up to 1 o'clock today. Returns continued to filter in from states which had been close, but they made no change in the figures which gave President Wilson 269 electoral votes and Mr. Hughes 243.

Minnesota, New Mexico and New Hampshire remained in doubt. Minnesota's latest returns showed Hughes leading by 752, but the figures for New Hampshire put Wilson ahead by 239, with 11 precincts missing, while he also led in New Mexico.

At Democratic national headquarters the view is taken that the election is all over. Chairman McCormick is preparing to go to his home in Harrisburg, Pa., tonight to resume his private business, he said today. Workmen were removing the furniture and the committee's local business, it was stated, would be conducted at a branch office. The main headquarters will be in Washington.

San Francisco, Cal., Nov. 10.—One more precinct in California had been reported by 9:30 a. m. today, reducing the missing ones to 34. The total without the missing precincts stood: Hughes, 462,551; Wilson, 465,711. Wilson's plurality, 3,160.

This was an increase of 29 votes for Wilson over last night. Seven precincts were lacking from Humboldt county in the northwest corner of the state and seven from Kern in the oil fields. Humboldt went for Hughes, and Kern for Wilson. The others were scattered here and there.

Election officials here said it would be impossible to check these missing precincts against the vote of previous elections because of lack of knowledge as to exactly which precincts in each county were still missing. Efforts to clean up the state vote were put forth by news associations and by the organizations of the two big parties. Usual means of communication were supplemented by the forest service telephones in the Sierras, and automobiles and homes were sent on roads and trails where there was no telephone communication.

San Francisco, Cal., Nov. 10.—Returns from 5,839 of 5,870 precincts in California gave: Hughes, 462,592; Wilson, 465,742. Wilson's plurality, 3,150.

Omaha, Neb., Nov. 9.—Returns from Tuesday's election give President Wilson Nebraska by an estimated plurality of 30,000. Fifty per cent of the vote, from scattered counties and precincts, has been counted and President Wilson's lead is 26,608. Republican leaders concede the state to the president. Democrats claim his majority will be 35,000. Returns from 306 precincts, including incomplete returns from 27 counties of the 96 in the state, give: Wilson, 99,695; Hughes, 72,487. These figures include Douglas county (Omaha) and partial returns from Lancaster county (Lincoln).

Gilbert M. Hitchcock, candidate for re-election to the United States senate, leads John L. Kennedy, his Republican opponent, by 6,000, with half the state heard from. Republican leaders concede Kennedy's defeat. Hitchcock claims election by 10,000 votes.

The lead of Keith Neville, Democratic candidate for governor, over A. L. Sutton, Republican candidate whose campaign was conducted chiefly on the prohibition issue, is less than 500, but increasing with belated returns. The Omaha Bee concedes election of Neville.

It is now established that the prohibitory amendment carried by at least 28,000.

May Be Re-count.
New Brunswick, N. J., Nov. 10.—Because the vote for members of the house of representatives has been close in the third congressional district, it is expected there will be a re-count. On the face of the returns, Carson, Republican, has been beaten by the Democratic candidate, J. Schul-

ly by 66 votes—Carson, 22,213; Schul-

ly, 22,127.
St. Louis, Mo., Nov. 10.—Returns from 2,329 out of 3,459 precincts in Missouri gave Gardner, Democrat, for governor, 263,110; Lamm, Republican, 259,581, a plurality for Gardner of 3,529. No returns from four counties are included in these figures.

Steel Behind Scott.
Sioux City, Iowa, Nov. 10.—Congressman Tom Steele is 75 votes behind George C. Scott, Republican, on complete count in the eleventh Iowa district. The result may be contested.

Cheyenne, Wyo., Nov. 10.—Returns of 571 of 585 precincts in Wyoming give for congress: Mondell (R) 23,982; Clark (D) 23,522.
The missing precincts are in remote sections and are extremely slow in reporting.

Concord, N. H., Nov. 10.—Certified returns from 283 precincts out of 294 in New Hampshire give Hughes, 42,045; Wilson, 42,284. Wilson's lead, 239.

These figures, according to Secretary of State Bean, include the return of the clerk of Ward 2, Keene, who certified that Wilson electors received no votes there, although press figures credited them with 125. Efforts are being made to correct this return which the secretary of state believes to be an error. Its effect would be to increase the Wilson plurality.

Press returns from 11 precincts not accounted for in the counties not certified gave Hughes, 1,170; Wilson, 1,360. As a result the vote of the state is still regarded in doubt.

St. Paul, Minn., Nov. 10.—With hardly more than 50 precincts to hear from, Governor Hughes' plurality in Minnesota at noon today was 752, but Fred Wheaton, chairman of the Democratic state central committee, still insisted: "We feel sure of Minnesota for Wilson."

"Ballots cast under the provisions of the 'absent voters' bill which allows traveling men and railway men to vote the national ticket away from home is not included, and this vote will wipe out the Hughes lead," Mr. Wheaton said. The vote of the state troops at the Mexican border also will help out the Hughes margin, according to Fred Lynch, Democratic national committeeman from Minnesota.

E. L. Thornton, chairman of the Republican state central committee, declared the rural ballots still to report, would offset any Wilson gain among absent voters, and claimed a lead among the state guardsmen.

St. Paul, Minn., Nov. 10.—Returns for president from 2,974 precincts out of 3,024 in Minnesota gave Wilson, 176,233; Hughes, 177,090. Hughes' plurality, 857.

St. Paul, Minn., Nov. 10.—Returns for president from 2,944 precincts out of 3,024 in Minnesota gave: Wilson, 175,898; Hughes, 176,915. Hughes' plurality, 1,017.
St. Paul, Minn., Nov. 10.—Returns for president from 2,972 precincts out of 3,024 in Minnesota gave: Wilson, 176,361; Hughes, 177,131. Hughes' plurality, 770.

St. Paul, Nov. 10.—Returns for president from 2,977 precincts out of 3,024 in the state gave: Wilson 176,465; Hughes 177,217. Hughes plurality 752.

THRONGS GREET THE PRESIDENT

Enthusiastic Cheers Go Up as Wilson and Wife Land at Rhinecliff.

Rhinecliff, N. Y., Nov. 10.—The naval yacht Mayflower with President Wilson and Mrs. Wilson on board, arrived off Rhinecliff early today after an uneventful trip up the Hudson river.

The Mayflower anchored off Rhinecliff before daybreak, but the president did not come ashore until 9:55 o'clock to take his train for Williams town, where he goes to act as godfather for the second child of his

daughter, Mrs. F. B. Sayre.

Thronged lined the river bank, many carrying American flags, and when the Mayflower launched, carrying the president and Mrs. Wilson was seen to put off from the yacht, the crowd rushed excitedly toward the landing to greet them. Enthusiastic cheers went up as the president and his wife, assisted by Captain Jerry of the Mayflower, stepped ashore.

The president's face was wreathed in smiles. He looked completely happy. He had received by wireless the word that he had been re-elected. He raised his hat and waved it to the crowd as he and Mrs. Wilson set out on foot for the railroad station nearby.

Students Cheer Wilson.
Williamstown, Mass., Nov. 10.—President Wilson arrived here early this afternoon to attend the christening at 4 o'clock of his youngest grandchild, Eleanor Axson Sayre, the daughter of Mrs. Francis B. Sayre. He was met by a cheering crowd of Williams college students.

German claims of captures from the Rumanians between October 1 and October 21, the statement adds, were exaggerated. In comparison, it is claimed that ex-

act figures of Austro-Germans taken by the Rumanians in the same period were 5822. The Rumanians also captured twenty-five cannon and eighty-eight machine guns, as well as much booty.

Fresh Progress Made in Predeal Sector Against the Russo-Rumanians.

Petrograd, Nov. 10, via London, 11:40 a. m.—A violent attack on Russian positions in the Stokhod region of Volhynia was made yesterday by Austro-German forces. The war office announced that after repelling seven onslaughts the Russians were compelled to fall back to their second line. As a result of a German counter attack in the region south of Dorna Watra, the Russians also were compelled to give up heights captured on the day previous. The battle here still is in progress.

Berlin, Nov. 10, by wireless to Sayville.—Austro-German troops yesterday stormed Russian positions over a front of two and a half miles in Volhynia, the war office announced today. They took more than 3,000 prisoners as well as 27 machine guns and inflicted heavy casualties upon the Russians.

Berlin, Nov. 10, via London, 4:45 p. m.—Austro-German troops have made fresh progress against the Rumanians in the Predeal sector south of the Transylvanian border, the war office announced today, and repulsed Rumanian counter attacks. Teutonic successes in the Alt region on this front also are reported.

In the Predeal operations, 188 prisoners and four machine guns were captured from the Rumanians; and on the Danube the capture by motorists of two towns of Rumanian craft loaded with petroleum is announced.

Berlin, Nov. 10, by wireless to Sayville.—Local attacks on the German lines in the Somme are near Guedecourt and Les Boeufs and a more formidable attack by the French on both sides of Sully are reported in today's official statement. GERMANY SURE OF FINAL VICTORY

**Chancellor Hollweg Quotes
Reports and Reassures People—Nation Is Invincible.**

Amsterdam, Nov. 10, via London, 10:15 a. m.—Chancellor von Bethmann-Hollweg in his speech before the reichstag committee yesterday, expressed the opinion that Germany was certain of final victory. The chancellor is quoted in reports published here as having said:

"England and France in 1915 guaranteed to Russia territorial rule over Constantinople, the Bosphorus and the western shores of the Dardanelles with its hinterland, while Asia Minor was to be divided among the members of the entente. The annexation intentions of our enemies also include Alsace-Lorraine, which the League of Peace is to guarantee them. Such a policy of course cannot form a basis for an effective peace union. Germany is ready at all times to join a union of the peoples and even to place herself at the head of such a union to restrain a disturber of the peace. Not in the shadow of Prussian militarism did the world live before the war, but in the shadow of a policy of isolation which was to keep Germany down."

"Against this policy, whether it appears diplomatically as an encirclement, militarily as a war of destruction, or economically as world boycott we, from the beginning, were on the defensive. The German people wage this war as a defensive war for the safety of its national existence, for its free development. We never pretend anything else, never intend anything else. Not otherwise can be explained this display of gigantic force, this inexhaustible heroism unexampled in all human history."

"The enemy obstinately wills to war with the calling up of military material and auxiliary forces from all parts of the world. These efforts harden our resistance to still greater determination. Whatever England can still bring up of strength and England's command of strength has its limits—it is predestined to fall before our will to live. This will is unconquerable and we await the enemy's recognition of this, confident that this recognition must come."
